

Quickstart - SRSLearning

A screenshot of a web browser window showing a login form. The form has a light blue header with the word "Login" in white. Below the header, there are two input fields: "Username:" and "Password:". To the right of the "Password:" field is a "Log in" button with a green arrow icon.

- Visit 'srslearning.com' in your web-browser
- You should see be met by a screen asking for your username and password

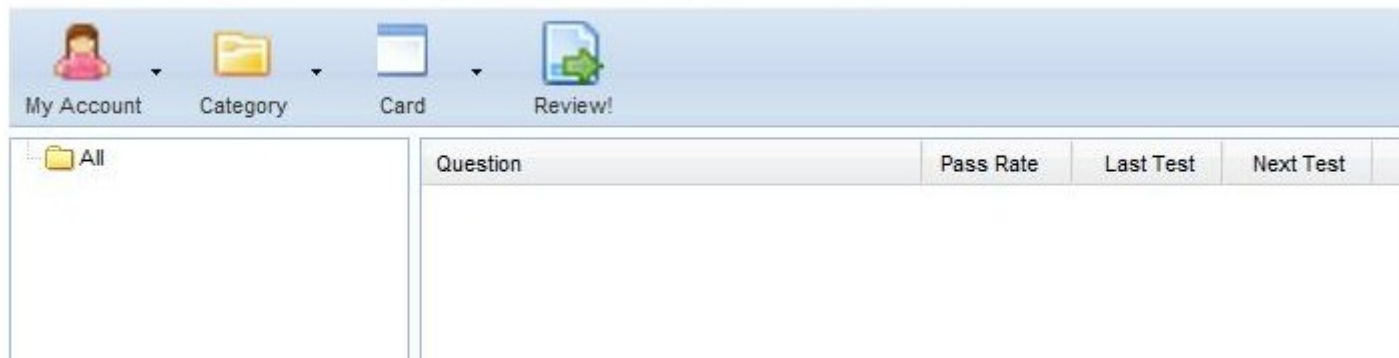

Quickstart - SRSLearning

A screenshot of a web login form. The form has a light blue header with the word "Login" in a small, bold, blue font. Below the header, there are two input fields. The first is labeled "Username:" and contains the text "bjornaf.japansk1@gmail.com". The second is labeled "Password:" and contains ten black dots, indicating a masked password. To the right of the password field is a "Log in" button with a small green icon of a person and the text "Log in".

- Enter your username and password
- Click 'Log in'

Quickstart - SRSLearning

- If you see a screen similar to the one above, then you have logged in successfully

Quickstart - SRSLearning

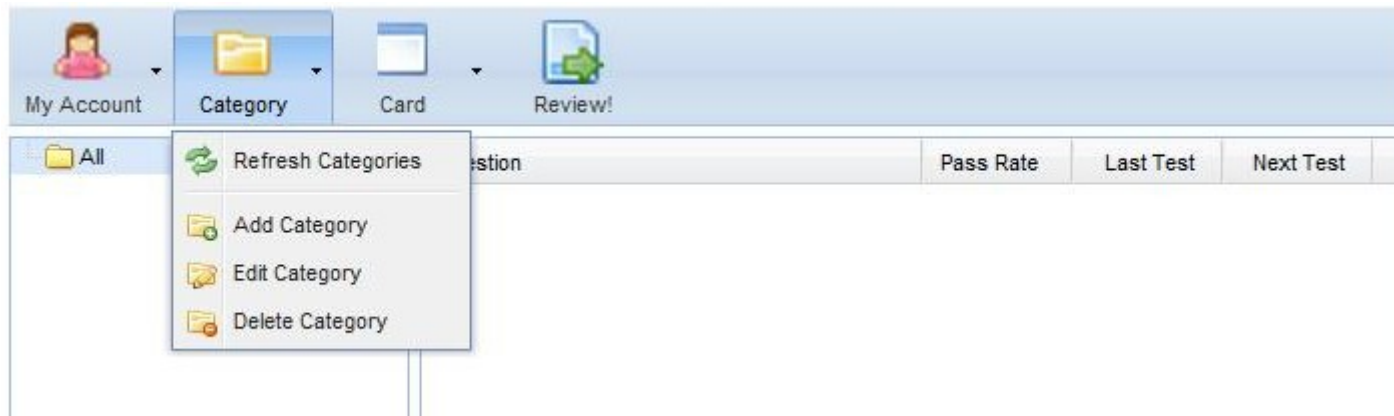

The screenshot displays the SRSLearning application interface. At the top is a blue **Menu Bar** containing four items: 'My Account' (with a person icon), 'Category' (with a folder icon), 'Card' (with a card icon), and 'Review!' (with a document icon). Below the menu bar, the interface is split into two main sections. On the left is the **Category Tree**, which shows a single folder icon labeled 'All'. On the right is the **Card Grid**, which features a table with four columns: 'Question', 'Pass Rate', 'Last Test', and 'Next Test'. The 'Question' column is currently empty, while the other three columns contain the headers 'Pass Rate', 'Last Test', and 'Next Test' respectively.

Question	Pass Rate	Last Test	Next Test
----------	-----------	-----------	-----------

Quickstart - SRSLearning

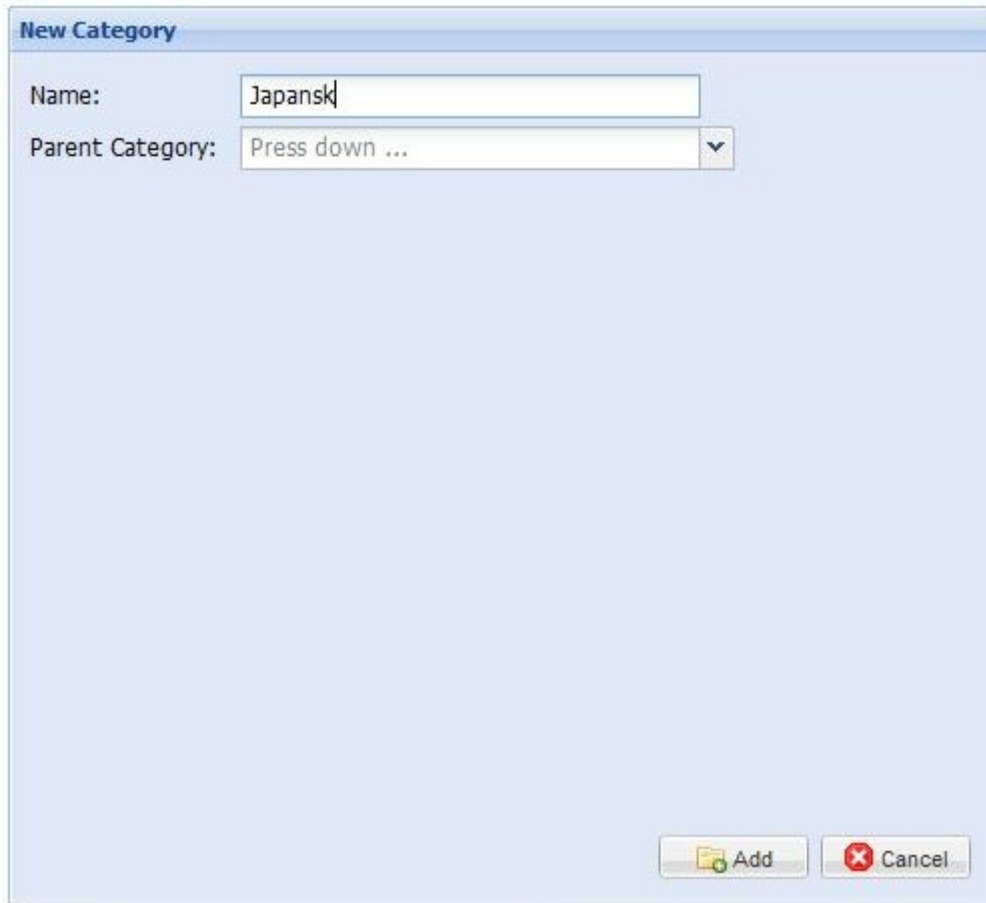

- The Category Tree displays all the categories you have made. Categories are useful for helping organise your studying. For example, you might have one category called 'Japansk', and sub-categories called 'Hiragana', 'Greetings', 'Lesson 1'.
- The Card Grid displays all the cards in a selected category. Each card is comprised of a question (usually a word or sentence in the language you want to learn) and an answer (the translation or meaning of the question, in your own language).
- Next, we will find out how to add categories and cards.

Quickstart - SRSLearning

- Click 'Category' in the menu bar.
- Click 'Add Category'

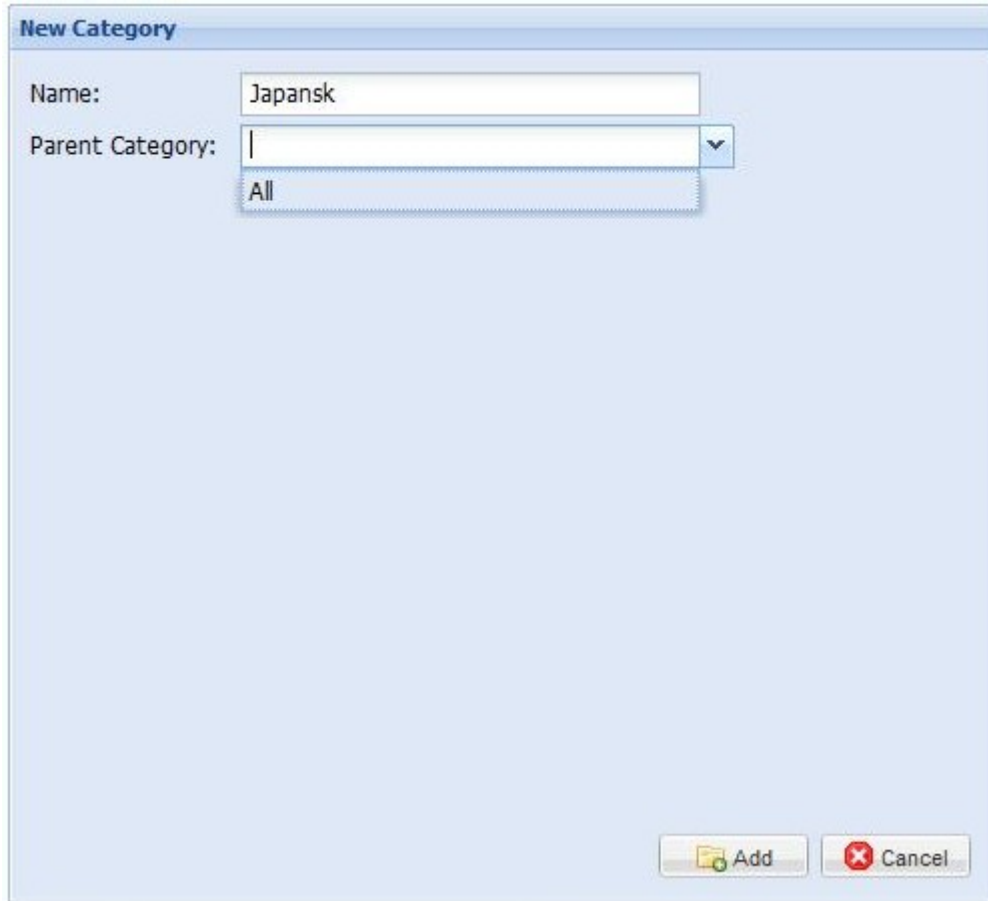

Quickstart - SRSLearning

The screenshot shows a 'New Category' dialog box with a light blue background. At the top, the title 'New Category' is displayed in a blue header bar. Below the header, there are two input fields. The first is labeled 'Name:' and contains the text 'Japansk'. The second is labeled 'Parent Category:' and contains the text 'Press down ...' with a small downward arrow icon to its right. At the bottom of the dialog box, there are two buttons: 'Add' with a green plus icon and 'Cancel' with a red X icon.

- Type in a name for your new category in the name box
- Click on the down arrow on the Parent Category box

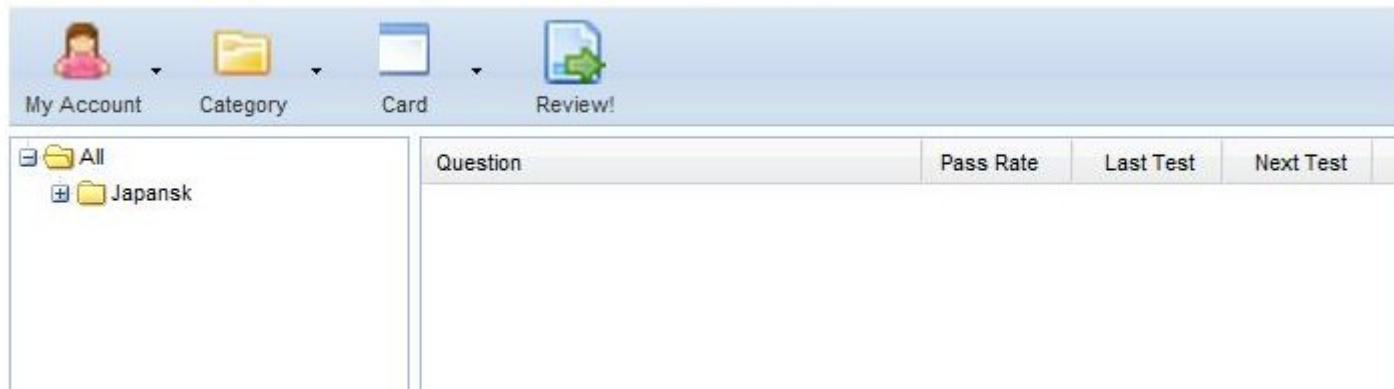

Quickstart - SRS Learning

The screenshot shows a 'New Category' dialog box with a light blue background. At the top, the title 'New Category' is displayed in a blue header bar. Below the header, there are two input fields. The first is labeled 'Name:' and contains the text 'Japansk'. The second is labeled 'Parent Category:' and is a dropdown menu currently showing 'All'. At the bottom right of the dialog, there are two buttons: 'Add' with a green plus icon and 'Cancel' with a red X icon.

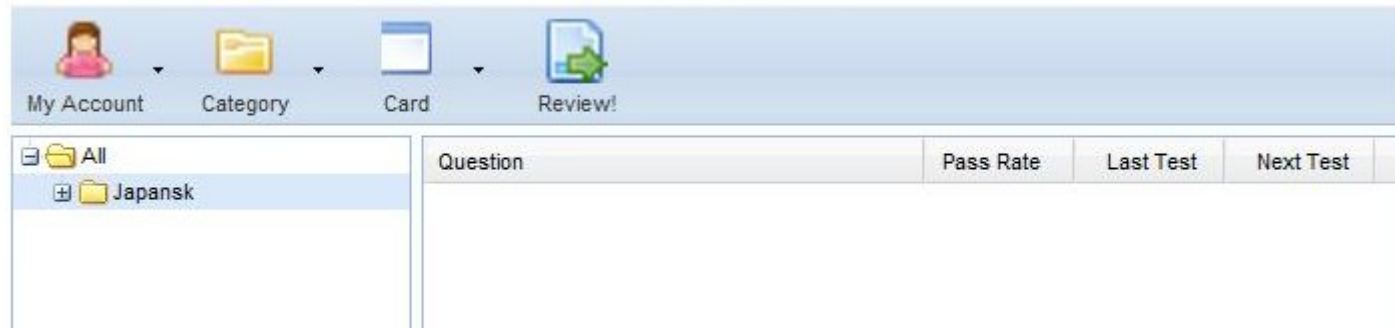

- The Parent Category box will load the names of the categories you have already made.
- Click on 'All'
- Click 'Add'

Quickstart - SRSLearning

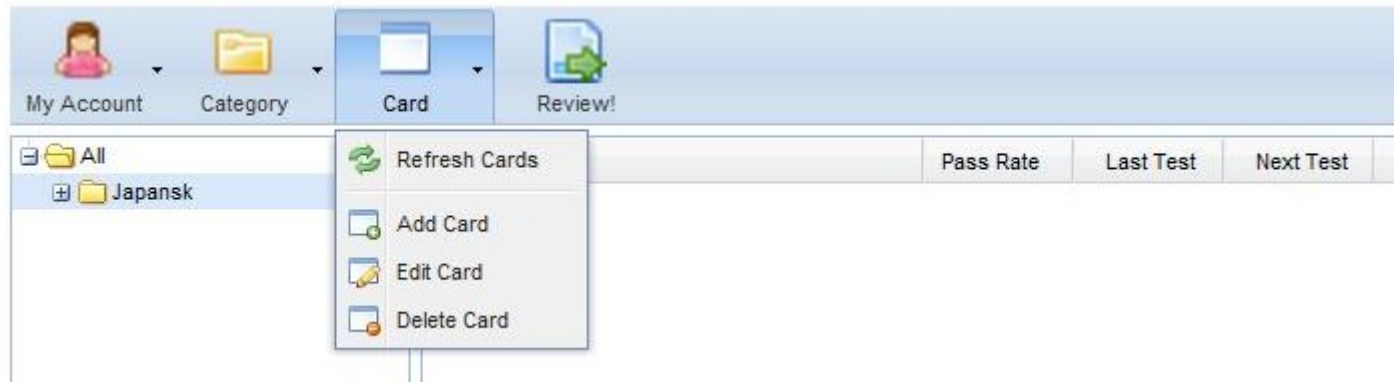

- Your new category will now be available.
- If you do not see yur new category, click on the plus ('+') sign next to 'All'. This category will open, and your new category will be on display.

Quickstart - SRSLearning

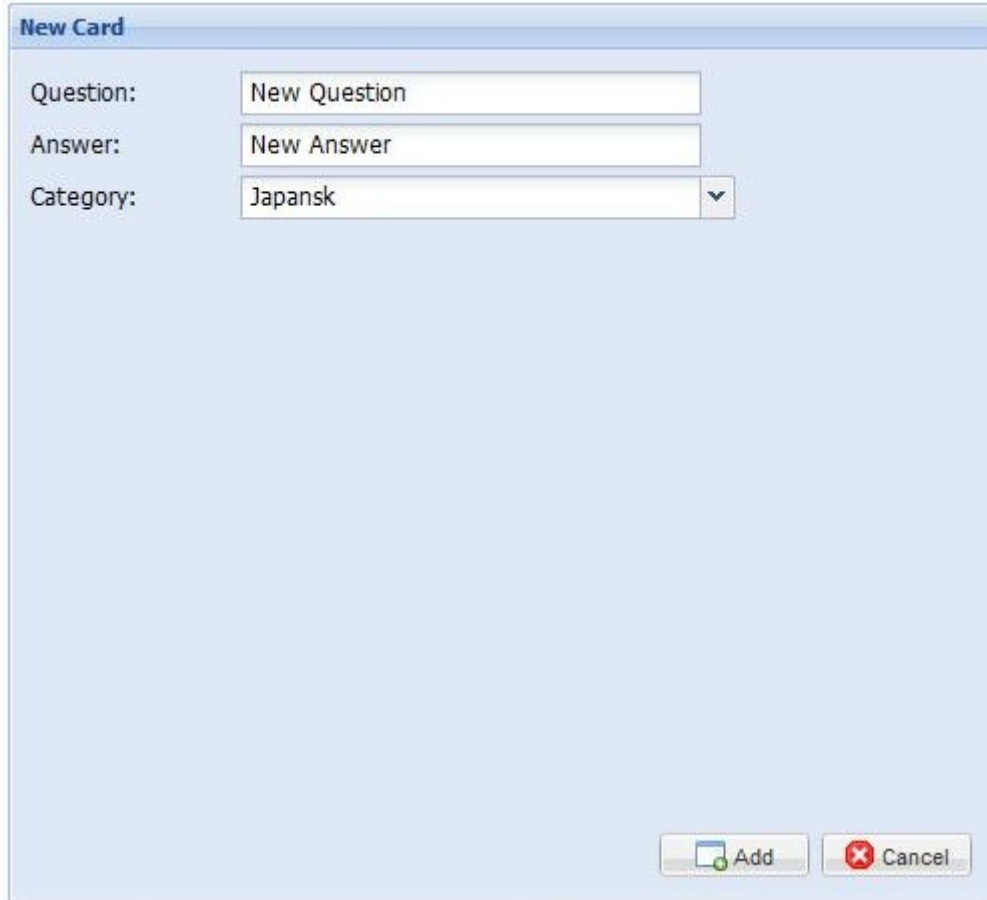

- Now, we will make a new card
- First, select the category you want to make the card for. That category will then be highlighted in blue in the Category Tree

Quickstart - SRSLearning

- Click on the 'Card' menu in the Menu Bar
- Click on 'Add Card'

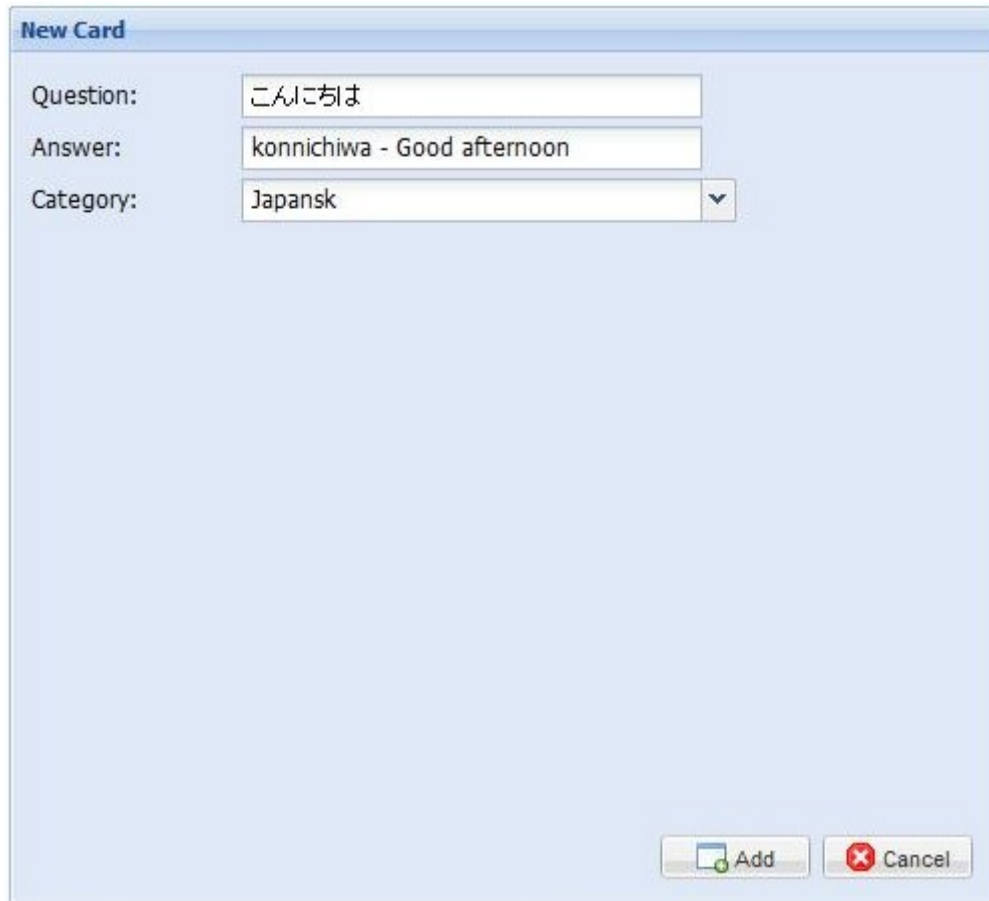

Quickstart - SRSLearning

The screenshot shows a 'New Card' dialog box with a light blue background. It contains three input fields: 'Question:' with the text 'New Question', 'Answer:' with the text 'New Answer', and 'Category:' with a dropdown menu showing 'Japansk'. At the bottom right, there are two buttons: 'Add' (with a green plus icon) and 'Cancel' (with a red X icon).

- You should see a panel like the one to the right.
- As you can see, the category you highlighted earlier is already selected in the 'Category' box.

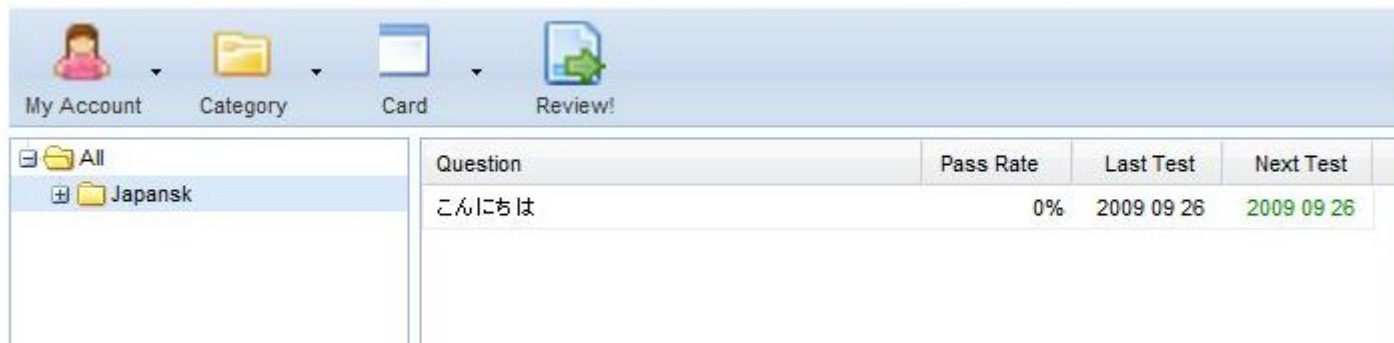

Quickstart - SRSLearning

The screenshot shows a 'New Card' dialog box with a light blue background. It contains three input fields: 'Question:' with the text 'こんにちは', 'Answer:' with the text 'konnichiwa - Good afternoon', and 'Category:' with a dropdown menu showing 'Japansk'. At the bottom right, there are two buttons: 'Add' (with a green plus icon) and 'Cancel' (with a red X icon).

- Fill in the question field. In this case, we have chosen the Japanese word: ' こんにちは '
- Fill in the answer field. In this case, we have written in both the pronunciation and the meaning.
- Click 'Add' to create the card

Quickstart - SRS Learning

The screenshot shows the SRS Learning interface. At the top, there is a navigation bar with four icons: a person (My Account), a folder (Category), a card (Card), and a document with a green plus sign (Review!). Below the navigation bar, on the left, is a sidebar with a folder icon and the text 'All', and a plus icon followed by 'Japansk'. The main area on the right is a table with four columns: 'Question', 'Pass Rate', 'Last Test', and 'Next Test'. The table contains one row with the question 'こんにちは', a pass rate of '0%', a last test date of '2009 09 26', and a next test date of '2009 09 26' displayed in green.

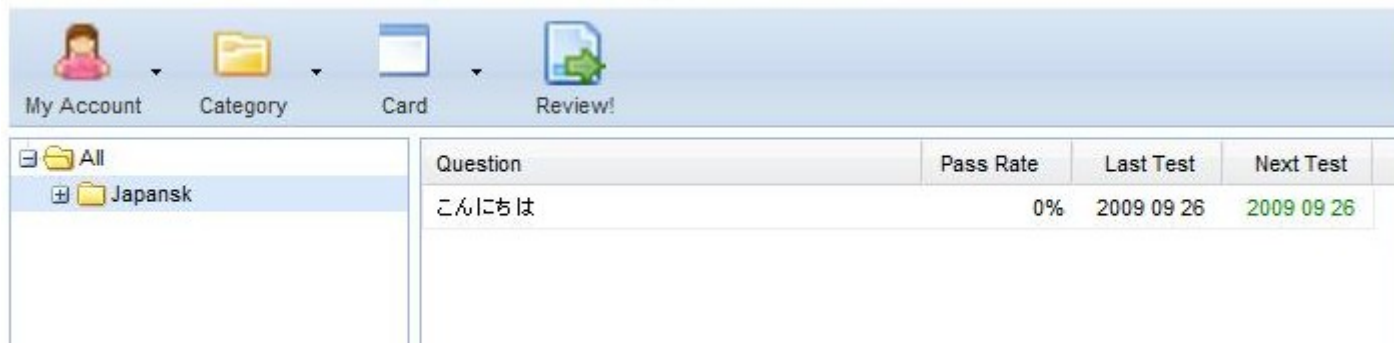

Question	Pass Rate	Last Test	Next Test
こんにちは	0%	2009 09 26	2009 09 26

- The new card has now been created and can be seen in the Card Grid
- Notice how the date of the next test is today, and displayed in green? All cards with a green date are ready to be reviewed.

Quickstart - SRS Learning

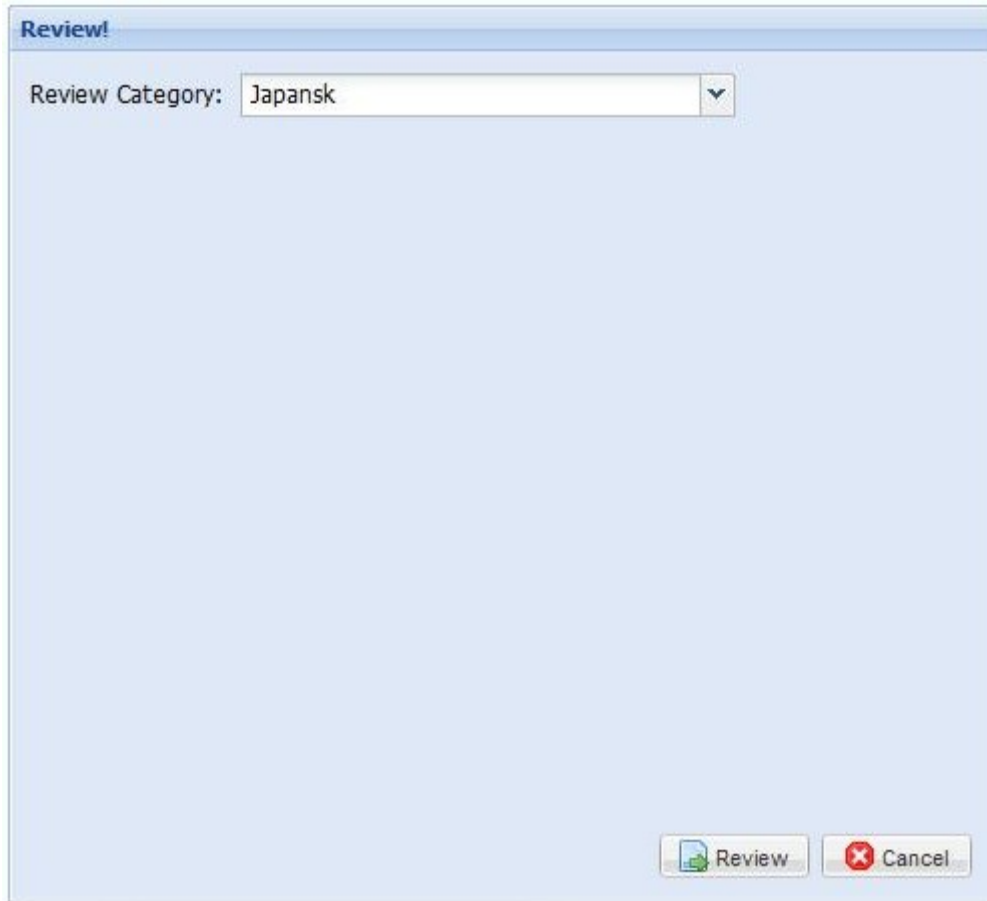

- Reviews help you to remember your cards for longer by showing you them just before you forget.
- It is very important to review your cards every day. Don't worry, though, you will only be shown a selection of the cards each day, so you will never have to review them all at once.

Quickstart - SRS Learning

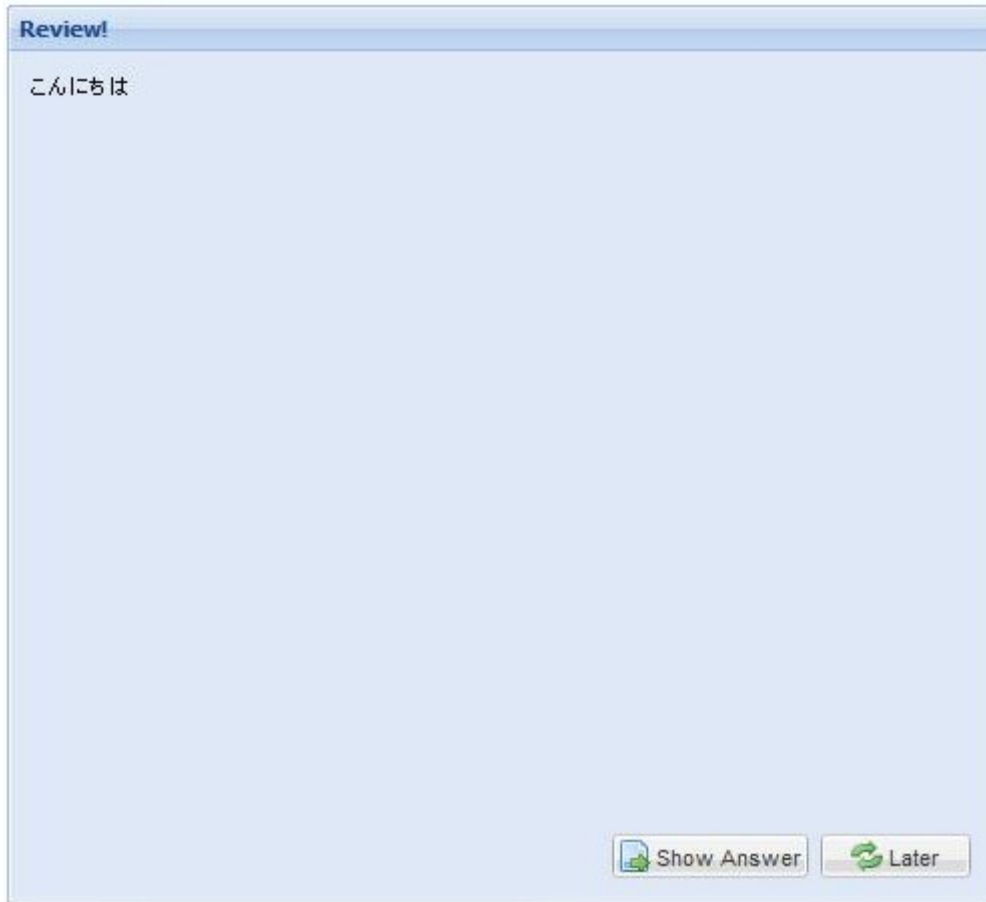

- To review your cards, select the category you wish to review, and click on 'Review' in the Menu Bar

Quickstart - SRS Learning

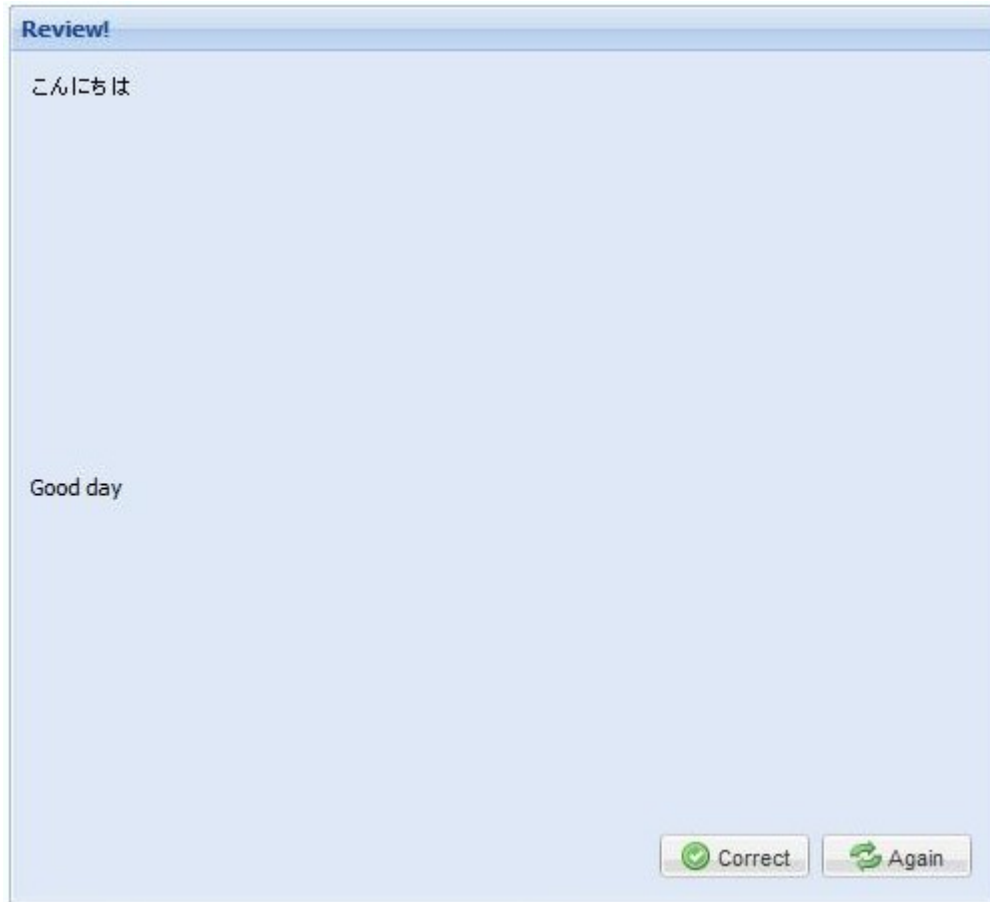

- You should see a panel like the one to the right.
- As you can see, the category you highlighted earlier is already selected in the 'Review Category' box.
- Click 'Review'

Quickstart - SRSLearning

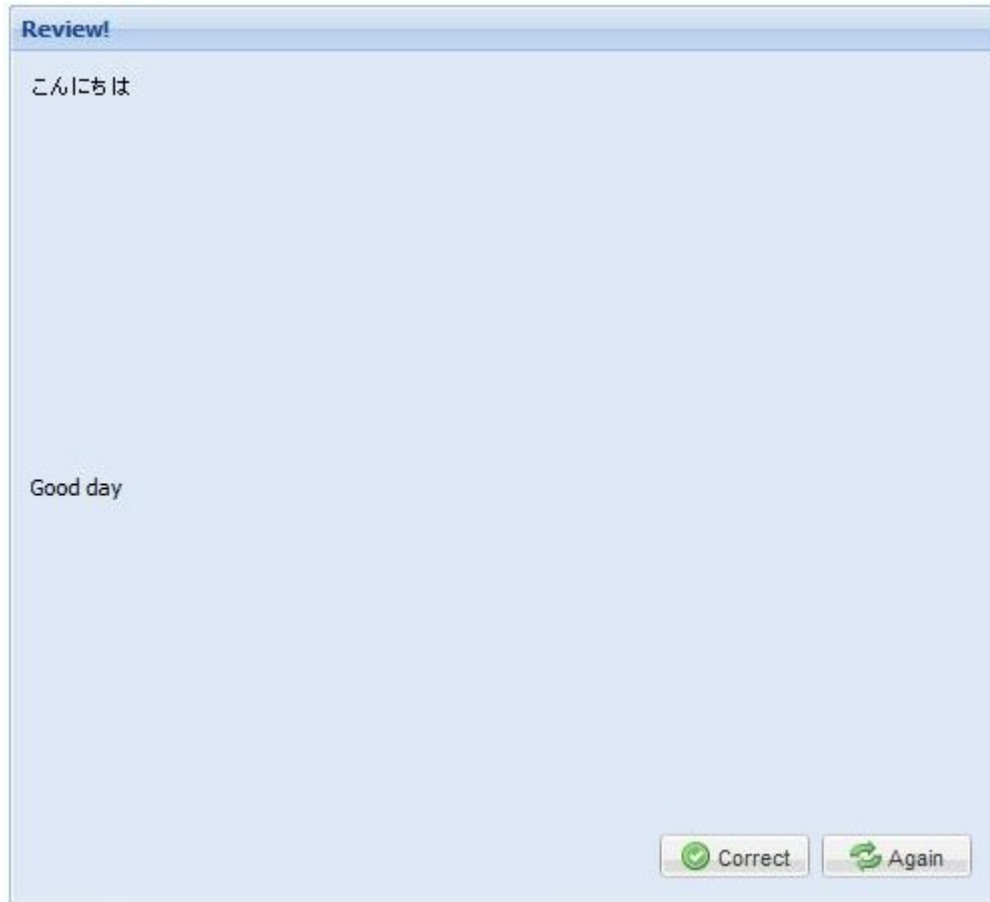

- Your new card is up for review, and the question is displayed at the top left of the panel
- If you don't know the answer right now, you can click 'Later' to review the card again at the end
- If you think you know the answer, say the question out loud, write down your answer, and click 'Show Answer'

Quickstart - SRS Learning

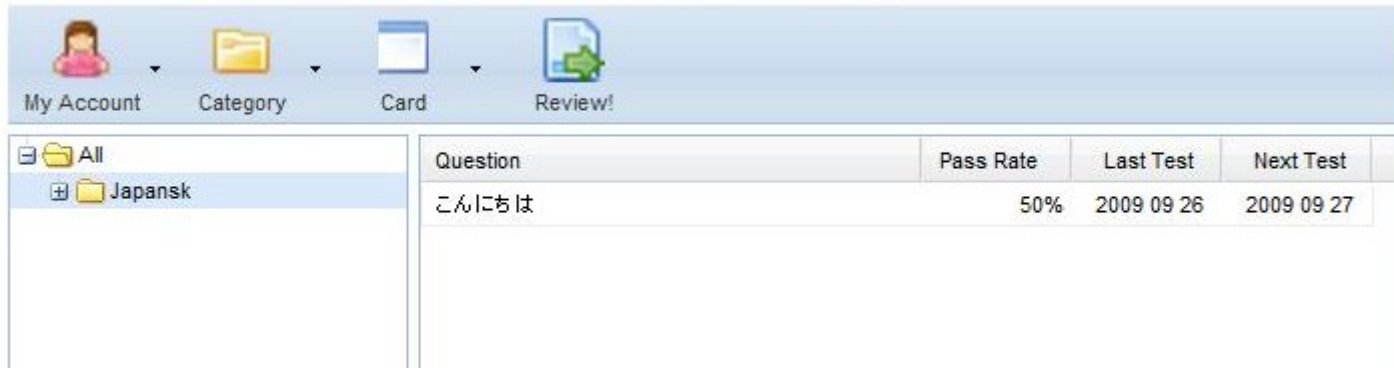

- The answer is displayed about half way down the panel
- If you got the answer right, congratulations! Click 'correct'.
- If you didn't get the right answer, then you can click 'Again', and you'll get another chance at the end of the review.

Quickstart - SRS Learning

- It is important that you are honest. The goal of the system is to help you remember. If you couldn't remember the answer, then the system needs to show you the card more often, so you must click 'Again'. If you click 'Correct', it may be a long time before you see the card again, and that means it will be more difficult for you to remember.

Quickstart - SRS Learning

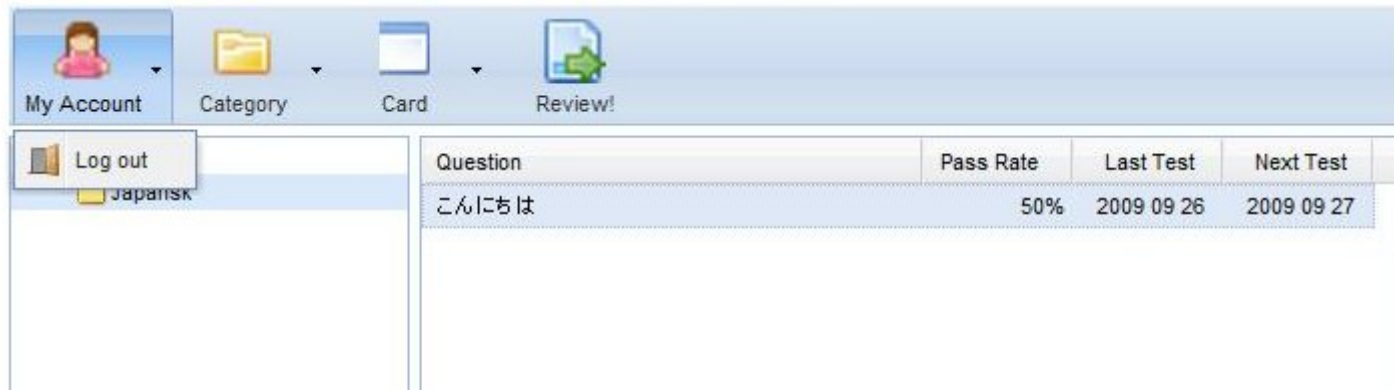

The screenshot shows the SRS Learning interface. At the top, there are four icons with labels: 'My Account' (person icon), 'Category' (folder icon), 'Card' (card icon), and 'Review!' (card with a green plus icon). Below these, on the left, is a sidebar with a folder icon and the text 'All', and a plus icon followed by a folder icon and the text 'Japansk'. The main area is a table with the following data:

Question	Pass Rate	Last Test	Next Test
こんにちは	50%	2009 09 26	2009 09 27

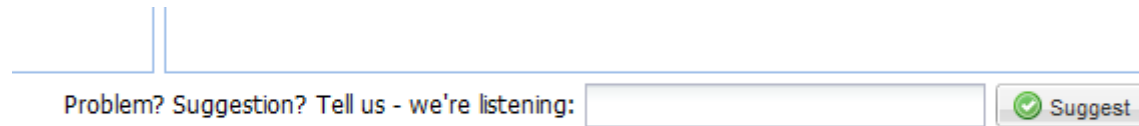

- Once the review is over, the Card Grid will be updated.
- As you can see, the Next Test for this card has moved forward one day.
- The card has a Pass Rate of 50%, which means I got the wrong answer, but got the right answer when I saw the card the second time.

Quickstart - SRSLearning

- To log out, select 'My Account' in the Menu Bar
- Click 'Log out'
- It is important that you log out once you are finished

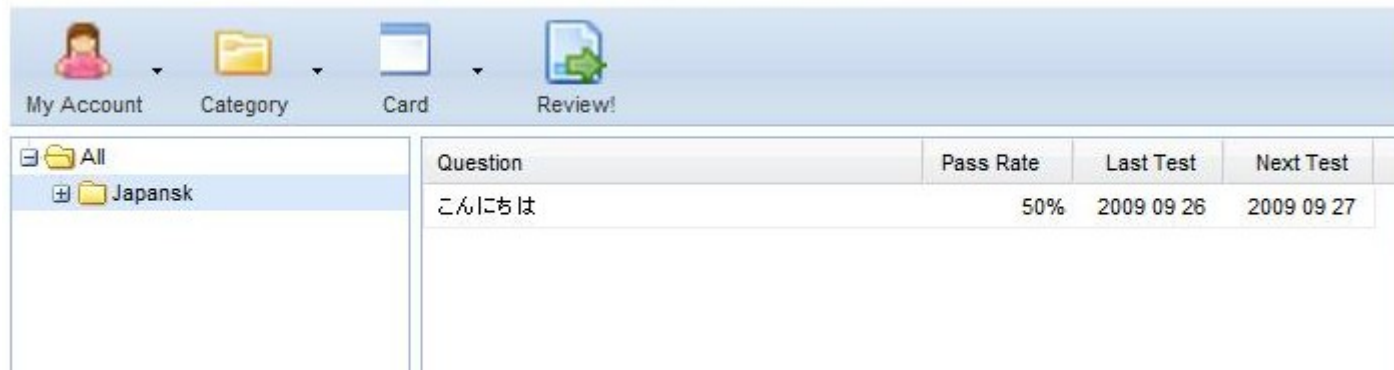

Quickstart - SRSLearning

Problem? Suggestion? Tell us - we're listening:

- At the bottom of the screen, there is a suggestions box.
- If you have a problem using the website, or a suggestion on how we can improve it, we would love to hear it.
- We like to hear what you don't like about the website too. What's difficult? What's missing?
- If you need more space, you can send an e-mail to suggest@srslearning.com

Quickstart - SRSLearning

- Four things important to remember:
 - Use the system every day
 - If you don't get the correct answer first time, try again
 - Log out once you are finished
 - Have fun
